ORDINANCE NO. 76

SECTION 3

Section 2. Subdivisions (a) and (b) of the City of Green Isle Ordinance 70 are hereby amended to read as follows:

(a) It is prohibited to employ, engage, or use any person in said licensed premises, including bartenders, hosts, hostesses, waiters, waitresses, dancers, or entertainers, while such person is nude, as defined in Minnesota Statute 617.292, Subdivision 3, except that in the case of entertainers or dancers for hire, it shall not be prohibited conduct to allow said persons to perform their acts so long as the breasts of female entertainers or female dancers for hire are covered by a semi-opaque material through which the breasts may be partially visible. Female entertainers shall not be nude under any other clause of the statutory definition of that term. Female entertainers who give a performance here under and have over their upper body only a fully transparent covering over the breast area, or use a covering only over the nipple area of the breast are in violation of this ordinance.

(b) All entertainers or dancers for hire, who, because of the nature of their performances, are subject to the provisions of Subdivision (a) above, shall be separated by a distance of at least 18 inches from all customers of the licensed premises during said performances and shall not touch customers or allow customers to touch the entertainer in any manner during said performances. No physical barrier is required under this ordinance but it shall be the responsibility of the management of the licensed premises and the responsibility of the entertainer to prevent the physical proximity or contact prohibited by this law. It shall not be a defense to claim or show that a customer caused the physical contact.
